Brigid W. 0011021

NOV 21 1985

SUBJECT: AMD 85768, Emergency Response - U.S. Scrap
FINAL DELIVERY

FROM: Donald T. Wruble, Director
Advanced Monitoring Systems Division

William Sanders, III, Director
Environmental Services Division
Region 5

On August 29, three sets of 1967, 1980, and 1983 aerial photo enlargements with overlays identifying conditions at the U.S. Scrap site near Chicago, Illinois were shipped to Gerald Regan. One set of VHS tapes of the forward looking infrared (FLIR) thermal overflights showing the underground fire were delivered to Mr. Regan on the mission dates of August 20, August 25, August 30, September 3, and September 11, 1985. A report covering the emergency phase of the FLIR overflights was compiled and sent to Region 5 on September 19, 1985.

If additional support is required, please contact Clayton Lake, our Project Officer, on FTS 845-2269.
